- I declare that the information supplied by me on all parts of this form is correct and true.
- I understand that any false statement may result in

 - 2) a charge of breach of discipline or academic misconduct made against me
- I understand that the supporting documents must be submitted at the time of request lodgment.
- I understand the supporting documents I submitted must be true and genuine. The fraud documents may result in the breach of my student visa.
- I understand that the College will notify DHA of the change of my enrolment at Massey College and this may affect the validity of my student visa.
- I understand that I must continue to attend class until I am notified of the outcome of my request

and failure to attend class will result in being marked absent and affect my course progress. - I understand that the assessment of my request will be based on the reasons and my supporting documents and on the College policies and procedures. - I understand if my request is granted for course extension, change of course and change of campus: - tuition fees may incur. - the duration of my enrolment may be varied.
- I need to seek advice from DHA about any possible implications for my student visa, for instance, a longer period of enrolment than expected duration may mean that I will need to apply to extend my student visa. - my course progress may be affected. - my timetable may change. - I must return to class when expected. If I do not, my enrolment and CoE will be cancelled as non-commencement and this will put my student visa at risk. - I understand that I will be issued a new Letter of Offer and a new Written Agreement (WA) for the changes and until the signed WA is received by the admissions - the process of the request will not be finalized. - new CoE will not be issued which could lead to my student visa at risk.
